Marketing manager with 5+ years of experience across small-business, product, and customer marketing. Built marketing programs for local businesses, supported the launch of Apple Business Essentials, and created the marketing for Amazon's Emerging Brands initiative. Now own tech and AI marketing for Amazon Grocery and Whole Foods Market.

EXPERIENCE

Amazon | Marketing Manager, Worldwide Grocery *New York, NY | 2025 – Present*

- Own tech and AI marketing for the Amazon Grocery and Whole Foods Market product marketing team, co-leading Grocery's pilot of Amazon's new AI tools for campaign planning and content creation.
- Established the marketing strategy and rebuilt the customer-facing experience for Amazon's New & Emerging Brands initiative across Amazon Fresh and Amazon Grocery, including a new rotating homepage placement that drives discovery and lifecycle engagement for eligible brands.
- Scaled the program 7x year over year, from 35 campaigns in 2025 to 250+ in 2026, while lifting click-through rate ~40% through sharper GTM strategy and creative testing.
- Used AI tools to independently design and build a performance dashboard used weekly by the marketing team and three outside agencies, tracking every campaign across 65+ brands.

Amazon | Partner Management, Hub Delivery *Seattle, WA & Los Angeles, CA | 2023 – 2025*

- Joined Amazon Hub Delivery as one of its first hires when it was an unproven pilot with zero partners; helped build the early partner-management playbook and later managed 250+ partners across Seattle and Los Angeles as the program scaled to a 2,800+ partner network nationally.
- Built a 9-page onboarding packet and 4-week email series that is now the national standard for new partner launches, improving launch readiness across the network.
- Partnered with Marketing and Creative on partner-facing video campaigns and national rollout initiatives, and led Partner Spotlight storytelling featuring hub partner success stories in partner communications.

Apple | Business Account Manager, Apple Business Essentials *Remote | 2021 – 2024*

- Partnered with Apple's Product Marketing organization on the go-to-market launch of Apple Business Essentials (now Apple Business), shaping customer-facing content and storytelling across Apple.com and business.apple.com.
- Managed a portfolio of SMB business accounts, generating $11.9M in B2B revenue and translating customer outcomes into the small business success stories Apple features on Apple.com.
- Supported customer education and adoption for GTM pilots focused on business enablement, helping translate new features into simple, sellable stories that supported long-term account growth and retention.

Johnny Mo's Pizzeria | Director of Marketing *Seattle, WA | 2020 – 2023*

- Owned digital marketing strategy (email, social, and in-store) for a growing Seattle pizzeria brand.
- Built a 6,000+ subscriber email program generating $1.3M+ in campaign-attributed revenue; 8+ standalone campaigns each drove $100K+ in incremental revenue.
- Designed johnnymos.com and in-store menus, plus led content creation, photography, and promotional design supporting brand build-out and expansion across multiple Seattle locations.

Tig Media | Founder *Seattle, WA | 2021 – 2023*

- Founded and ran a small business marketing agency serving 10+ local clients across email, social, and brand design; grew revenue roughly 4x in the first six months.
